

NASA Ames at SF Pride 2015

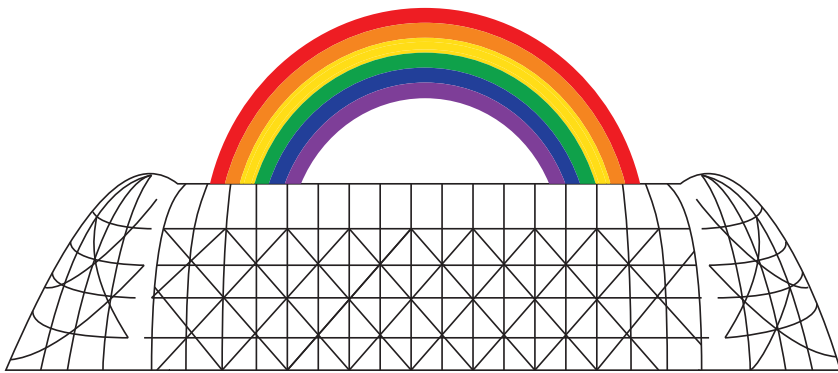

Sunday, June 28 11:30

Come join your NASA Ames friends, colleagues and family and march in this year's San Francisco LGBT Pride Parade alongside the first official NASA-themed float, astronauts and Ames senior management, sponsored by NASA HQ, Ames LGBT Advisory Group and volunteer support. NASA Ames will officially participate in the 2015 San Francisco Lesbian, Gay, Bisexual, and Transgender (LGBT) Pride Parade on Sunday, June 28th, in honor of the national LGBT Pride Month. All Ames staff members, family and friends are invited to march with us in the parade to represent NASA and raise awareness of Ames' research, missions and commitment to diversity. SF Pride is televised throughout the Bay Area and expected to be attended by up to four million people, making it an excellent opportunity for individual staff members, organizations, and missions to raise awareness of Ames and the work we do.

To participate, you must sign up to march and get a T-shirt at the link below. All proceeds from registration costs go to cover T-shirts and fees. Registration closes June 25. Our contingent will march along Market St. from Beale to 8th St., spanning roughly 1.5 miles. Marchers should arrive by 11:00 am, contingent monitors by 10:00 am. Marchers will wear official NASA Ames SF Pride 2015 T-shirts and will march alongside our parade vehicles. Seats in parade vehicles will be first-come first-serve.

We are also looking for contingent monitors, who will act as volunteer chaperones for our parade contingent and are required to attend a one-hour training session. See reverse side and website for more information.
